# ITINERARY

DAY  
1

## Individual arrival to Copenhagen

Make sure to arrive early in Copenhagen to have time to explore the city, most attractions are awaiting you in walking distance from your hotel. From Nyhavn you can discover most sights by one of the numerous hop-on hop-off sightseeing boats from the water. For lunch you should go for one of those many great options - choose a typical Smørrebrød - Danish for butter (smørre) and bread (brød), which is available in many variations for a light lunch. In the afternoon there is time to visit one of the numerous museums and attractions. More information can be found on [visitcopenhagen.com](https://visitcopenhagen.com).

Scandinavia is also very well-known for it's New Nordic Cuisine, so if you are a foodie we recommend to book a table in advance. Bike Sweden's favourite guide is the "[White Guide](#)", where you can find the best restaurants in the Nordics. Ask us for recommendations!

DAY

## Copenhagen - Køge | ca. 55 km

The first cycle stage will lead along the so-called Køge bay, with outstanding views to the Baltic Sea. The national park Amager Fælled is absolutely free of traffic and its scenic landscape will impress you. For those who are interested in art we recommend to visit Arken Museum of Modern Art. Køge belongs to one of the oldest cities of Denmark and is located directly on the coast. The white sand beaches invite for a jump into the cool water for a refresh.

DAY

## Køge - Næstved | ca. 60 km

Off to Næstved! Today you cycle through Zealand's green area to the West Coast. Take an excursion to the castle of Gavnø. In the museum you can learn more about the village and its fishing. Karrebækstorp, not far away is awaiting you with art galleries and alternate exhibitions. Before you continue your tour to Korsør you have to enjoy some freshly smoked fish in one of the smokehouses - it is so delicious!
